Additional services may be included in an update to this Agreement or in other separate agreements to notify you of the existence of any new services available through Online Banking Services. Information about new services may be obtained from our website at www.americanstatebankna.com. Not all of the products or services described on the Bank’s website are available in all geographic areas. Therefore, you may not be eligible for all the products or services described. We reserve the right to determine your eligibility for any product or service. By using these services when they become available, you agree to be bound by the terms and conditions contained in this Agreement or separate agreements covering these services.

In most cases you may use Online Banking Services to gain access to deposit accounts in which you have an unrestricted right to withdraw available funds. However, the Bank, as it may determine at any time and from time to time in its sole discretion, may deny Online Banking Services account access, restrict Online Banking Services account transactions, or place limits on the specific dollar amount of funds that may be withdrawn or transferred from any account.

VI. Additional Information about the Services.

A. Account Access.

Transfers and Payments from your Account will be deducted on the date you instruct us to process them. If the date you schedule a Transfer or Payment falls on a weekend or holiday, we will process your transaction the next Transfer Day. We may refuse to act on your Transfer instructions or Payment request if sufficient funds, including funds available under any overdraft protection plan, are not available in your Account on the date you want us to make the Transfer or Payment.

B. Processing Fund Transfers.

We can process a Transfer until the close of the Transfer Day. If you schedule a Transfer for a future date, we will process the transaction after the close of business on that date, if that day is a Transfer Day.

You are fully obligated to us to provide sufficient funds for any Payments or Transfers you make or authorize to be made. If we complete a Payment or Transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree that we may reverse the transaction or offset the shortage with funds from any other deposit account(s) you have with us to the extent permissible by the applicable law and the terms of any other relevant agreements.

If there are insufficient funds in your Account to make a Transfer or Payment, we may refuse to make the Transfer or Payment or we may make the Transfer or Payment and overdraw your Account. In either event, you are responsible for any non-sufficient funds (“NSF”) charges that may apply.

C. Canceling Transfers or Payments.

You may cancel a pending Transfer or Payment transaction. However, to do so, we must receive your instruction to cancel prior to the cutoff time on the Transfer Day the transaction is scheduled to be processed. If we don't receive your instruction to cancel a transaction before that time, we may process the transaction.

D. Transfer(s) from Savings/Money Market Deposit Accounts.

Federal regulations require us to limit, either by contract or in practice, the number of certain types of transfers from savings and money market deposit accounts. You are

limited to six (6) preauthorized electronic fund transfers per month. Each fund transfer through these Services from your savings or money market deposit account is counted as one of the six (6) transfers permitted each month. However, payments to your loan accounts with us are not counted toward this transfer limit for savings/money market deposit accounts.

E. Overdrafts: Order of Payments, Transfers, and Other Withdrawals.

If funds are withdrawn from any of your accounts by means of electronic funds transfers, other than through Online Banking Services on the same business day as an Online Banking Services transaction, and if the account contains insufficient funds to enable both the electronic funds transfer and the Online Banking Services transfer to be made, then the electronic funds transfer will have priority and the Online Banking Services transfer will be refused or will result in an overdraft on your account. This is at the Bank's sole discretion.

F. Bill Payment Service.

You can arrange, at your option, for the payment of your current, future and recurring bills from your designated Bill Pay Account. For Bill Payment Service, your Payee list may include utility companies, merchants, financial institutions, insurance companies, individuals, etc. within the United States whom you wish to pay through Bill Payment Service. Please include the full name of the Payee and a complete mailing address and telephone number for each Payee, along with your account number with the Payee, the amount of the Payment, and whether the Payment is recurring. The Bank reserves the right to decline to make Payments to certain persons and entities. You agree that any Payment for taxes, Payments that are court-ordered, government payments and Payments outside of the United States are prohibited and you agree that you will not attempt to use the Service to make these types of Payments. On recurring Payments, it is the responsibility of the account owner or designated authorized users to update Payee account information such as address changes, account numbers, etc.

Payments are posted against your ledger balance, plus the available credit on your overdraft protection, if any, or other line of credit.

You may schedule Payments to be initiated on the current Business Day, on a future date, or on the same date of each month. Changes to previously scheduled Payments must be made before 12:00 P.M. CST the Business Day before the day it is to be initiated. If the transaction shows an (IN PROCESS) status, then the Payment cannot be modified or deleted. Although you can enter Payment information through the Service twenty-four (24) hours a day, seven (7) days a week, the Bank only initiates on Business Days. Funds must be available in your Account on the "Scheduled Payment Date". We may make the Payment either by transferring funds electronically to the Payee or by mailing the Payee a check. Funds will be deducted from your account on the Scheduled Payment Date if the Payment is made as an Electronic Payment, or when the check clears your account if the payment is made by check.

When you create a new Payee in the Bill Payment service, it has a temporary status until we have had sufficient time to set up the account, and for your business Payees, verify information about your account. You should schedule a Payment to a new Payee at least five (5) Business Days before any Payment due date, to allow us time to set up the Payee and verify information about your account with the Payee. Bank is not liable for any service fees or late charges levied against you due to postal delays or processing delays by the Payee. There is no limit on the number of Payees or number of Payments that may be authorized.

For all subsequent Payments, you agree to allow at least five (5) Business Days between the date you schedule a Payment to be initiated and the Scheduled Payment Date (that is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period). If you do not, you will be fully responsible for all late fees, finance charges or other actions taken by the Payee. If you schedule your Payment and follow all instructions provided, and the Payment is not received by the Payee in a timely manner, a representative of the Bill Pay provider will work with the Payee on your behalf to have any late fees or charges reversed.

Whether a Payment is made as an Electronic Payment or by check, if sufficient funds are not available in your designated account on the Schedule Payment Date, we may refuse to honor the check and return it unpaid. At our sole discretion, we may elect to pay the check regardless of the insufficient funds. In either event, your qualified designated account will be charged our then current fee for processing insufficient items, whether the check is paid or returned, as applicable. **In the event that a bill payment item is returned unpaid, you will be assessed the normal insufficient funds fees plus the additional fee imposed by the bank's bill payment provider.** You are responsible for any loss or penalty that you may incur due to a lack of sufficient funds or other conditions that may prevent the withdrawal of funds from your account.

Recurring Payments and Transfers are those made for the same amount, on the same date, on a weekly, bi-monthly, monthly basis, etc. Once started, recurring Payments and Transfers will be made automatically until you delete the Payment or Transfer or upon expiration. If the Payment is not a recurring Payment, it will be a "one-time Payment." One-time Payments do not recur and are not made until you enter the Payee and amount of the current bill and submit the Payment. A recurring Bill Payment Service transaction that you want deleted must be deleted or the next Payment date changed five (5) Business Days before the current transaction date.

In the event a Payment is returned to us for any reason, you authorize us, in our sole and absolute discretion, to either research and correct the Payment information or to void the Payment and re-credit your Account.

Bank shall have no responsibility for failures, interruption or other defects in the Services, which are occasioned by incompatible, improperly installed or improperly maintained hardware and software. You should ensure that you have the following:

2. Firewalls: You should also utilize a firewall, (hardware and/or software) especially if you have a broadband Internet connection such as DSL or cable modem.

YOU ALSO AGREE THAT YOU HAVE THE NECESSARY EQUIPMENT FOR ACCESSING THE SERVICE AND FOR VIEWING ELECTRONIC DISCLOSURES. In addition, you can request paper copies of documents through the Service. Additional fees for paper copies may be imposed depending on the type of account you have and/or the reason and frequency of your requests for paper copies. You should print or save a copy of all disclosures delivered electronically.

IX. Enrollment Process:

You must complete the enrollment process to use the Service. You must enroll for the Service via the Internet. The Internet enrollment process involves completing a secure online application that will identify all the information that Bank will need to enable the Service. When you enroll for the Service, you agree to provide true and accurate information. Our Online Banking Customer Service Representative will verify the information you submit for accuracy and proper authorizations. We will send you a confirmation email upon receipt of your Agreement. You may begin using the Service only after receipt of this information via email.

X. Emails:

We may send you a welcome email after you enroll in the Service and we may send emails and/or secure messages through the Service regarding important Online Banking matters and/or changes to this Agreement. We must maintain your current email address in order to deliver this information to you. It is your sole responsibility to ensure that your contact information is current and accurate. This includes, but is not limited to, name, address, phone numbers and e-mail addresses. Changes can be made either within the system through the Services menu or by contacting our Online Banking Customer Service Department. You agree to maintain and promptly update your information as applicable. You agree not to impersonate any person or use a name that you are not authorized to use.

XI. Account Balances:

Balances shown in your accounts may include deposits subject to verification by us. The balance may also differ from your records due to deposits in progress, checks outstanding, or other withdrawals, payments or charges, including electronic transactions such as debit card, ATM, and Internet initiated transactions. A transfer request may not result in immediate availability because of the time required to process the request. A transfer request must be made before the Online Banking Business Day Cut-off time of 3 p.m. to be effective the same Business Day. The balances within the Service are updated periodically and the system will display the most current "as of" date on the "accounts" summary page. There may be situations that cause a delay in an update of your balances. The Service will use the most current balance available at the time of a transaction to base our approval for account transfers.

XII. Privacy:

Privacy. We understand how important privacy is to our customers. We have taken steps to protect the privacy and security of your personal information as well as your financial transactions with us. You should read our Privacy Notice before completing the enrollment process for the Service.

XIII. Security Procedures:

The use of a security code and other security features is a “Security Procedure” established by Bank to authenticate the identity of the person attempting to gain access to the Service. The Security Procedure is not designed for the detection of errors. Prior to activating your access to the Service, our Online Banking department will verify your identity and authorization against information associated with the Eligible Account(s) that you request to be tied to the Service. One of the main security features protecting the Service is the unique combination of your Username and Password. You should keep your Username and Password in a secure location. Any person having access to your Username and Password will be able to access these Services and perform all transactions, including reviewing Account information and making Transfers to other Accounts and to other persons. You are responsible for safeguarding your Username and Password. Providing these codes to another person effectively constitutes a grant of authority to access your accounts.

A. Upon registering onto the Service for the first time, you will be required to establish your own Username and Password, which is encrypted in our database. Neither Bank nor its Service Providers have access to your password, nor will the Bank ever contact you and ask for your User ID or Password. If you are contacted and asked for this information, please contact the Bank immediately. You should carefully select a Password that is hard to guess. Your Password must meet the following minimum requirements:

- It must be at least six (8) characters long.
- It must contain at least 5 alpha characters and 2 numeric characters and 1 special character (any character that is not a letter or a number).

Note: Special characters are used to increase security. Keep your Password safe. Memorize your Password and do NOT write it down. A Password should be changed immediately if you suspect that your Password has been compromised. This can be done at any time from the “Services” menu after you log on to the Service.

B. You agree to comply with the Security Procedures, including any other Security Procedures that Bank directs you to use, either by written notice, by posting on Bank’s web site or other electronic means, or any other way the Bank deems appropriate, and you acknowledge and agree that such Security Procedures, including (without limitation) any code, password, personal identification number, user identification technology, token, certificate, or other element, means, or method of authentication or identification used in connection with a Security Procedure (“Security Devices”), constitute commercially reasonable security procedures under applicable law for the initiation of the Services you utilize, including without limitation, transfers and access to confidential information. You authorize Bank to follow any and all instructions entered and transactions initiated using applicable Security Procedures unless and until you have

notified us, according to notification procedures prescribed by us, that the Security Procedures or any Security Device has been stolen, compromised, or otherwise become known to persons other than you and until we have had a reasonable opportunity to act upon such notice. You agree that the initiation of a transaction or instructions using applicable Security Procedures constitutes sufficient authorization for Bank to execute such transaction or instruction notwithstanding any particular designation by you of authorized persons or signature requirements identified on any signature card or other documents relating to this Agreement or your deposit account maintained with Bank, and you agree and intend that the submission of transaction and instructions using the Security Procedures shall be considered the same as your authorized written signature in authorizing us to execute each such transaction or instruction. You acknowledge and agree that you shall be bound by any and all transactions initiated through the use of such Security Procedures, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by you, to the fullest extent allowed by law. You further acknowledge and agree that the Security Procedures are not designed to detect error in the transmission or content of communications or transaction initiated hereunder, and that you bear the sole responsibility for detecting and preventing such error.

C. You agree to keep all Security Procedures and Security Devices protected, secure, and strictly confidential and to provide or make available the same only to Users. You agree not to disclose or provide any Security Procedures or Security Devices to any unauthorized person. You also agree that the persons authorized to use this Service ("Users") shall not share Security Devices with each other. Where you have the ability to change or modify a Security Device from time to time (e.g., a Password or User ID), you agree to change Security Devices frequently in order to ensure the security of the Security Device. You agree to notify us immediately, by calling the applicable referenced number indicated at the top of this Agreement if you believe that any Security Procedures or Security Device have been stolen, compromised, or otherwise become known to an authorized person(s) or if you believe that any transaction or activity is unauthorized or in error. In the event of any actual or threatened breach of security, we may issue you a new Security Device or establish new Security Procedures as soon as reasonably practicable, but we shall not be liable to you or any third party for any delay in taking such actions. You agree to indemnify, defend all claims, and hold Bank harmless from any loss, damages, or expenses, including but not limited to attorney's fees, caused by your, your employees', or agents' failure to keep the Security Procedures or Security Device confidential and secure.

D. You agree to notify us immediately, according to notification procedures prescribed by us, if the authority of any authorized representative(s) shall change or be revoked. You shall recover and return to us any Security Devices in the possession of any of your authorized representative(s) whose authority to have the Security Device has been revoked.

E. We reserve the right to modify, amend, supplement, or cancel any or all Security Procedures, and/or to cancel or replace any Security Device, at any time and from time to time in our discretion. We will endeavor to give you reasonable notice of any change in

Security Procedures; provided that we may make any change in Security Procedures without advance notice to you if we, in our judgment and discretion, believe such change to be necessary or desirable to protect the security of our systems and assets. Your implementation and use of any changed Security Procedures after any change in Security Procedures shall constitute your agreement to the change and your agreement that the applicable Security Procedures, as changed, are commercially reasonable and adequate for the purposes intended.

F. Log-On Security – For your protection, you should Exit after every Online Banking session. However, in order to help prevent unauthorized access to your account(s) your online session will end automatically if you have not pressed the “Submit” button for 5 minutes. This is to protect you in case you accidentally leave your computer unattended after you logged on. When you return to your computer, you will be prompted to re-enter your Password. In addition, we will lock your account after three unsuccessful login attempts within a 24-hour time frame. To unlock your account, please contact the Bank.

G. Encryption – The Service uses the Secure Socket Layer (SSL) encryption technology for everything you do while using Online Banking. Your browser automatically activates this technology when it attempts to connect to our Service. Our Service requires a browser that supports 128-bit encryption. Whenever SSL is securing your communications, the browser will typically indicate this secure session by changing the appearance of a small icon of a padlock at the bottom of the screen from open to locked. What this means to you is that your communications are scrambled from your browser to our servers at all times so no unauthorized party can read the information as it is carried over the Internet.

H. Certificate Authority - The servers hosting our Service have been certified by a "Certificate Authority" to assure you that you are actually talking to our Service instead of someone pretending to be us. If you are using an older browser, such as anything prior to versions Internet Explorer version 7 or Mozilla Fire Fox version 2.0, you will see that the "Certificate Authorities" key may have expired; you will need to update it on your browser.

I. Use of Public Computers — The security of public computers (e.g. in a Library, or Internet café) cannot be assured; therefore we strongly recommend that our customers refrain from accessing online accounts on a public computer. In addition to the security features described above, there may be other security related notices posted on our website or Service from time to time. It is your responsibility to read all security notices. **NOTWITHSTANDING OUR EFFORTS TO ENSURE THAT THE SERVICE IS SECURE, WE CAN NOT AND DO NOT WARRANT THAT ALL DATA TRANSFERS VIA THE SERVICE WILL BE FREE FROM MONITORING OR ACCESS BY OTHERS.**

J. Inactivity - After six (6) months of inactivity, you understand that your online banking account will be deactivated and to re-establish online banking, you will need to complete the enrollment process again.

XIV. Your Responsibility:

A. Physical and Electronic Security.

1. You are solely responsible for providing for and maintaining the physical, electronic, procedural, administrative, and technical security of data and systems in your possession or under your control. We are not responsible for any computer viruses (including, without limitation, programs commonly referred to as “malware,” “keystroke loggers,” and/or “spyware”), problems or malfunctions resulting from any computer viruses, or any related problems that may be associated with the use of an online system. Any material downloaded or otherwise obtained is obtained at your own discretion and risk, and Bank is not responsible for any damage to your computer or operating systems or for loss of data that results from the download of any such material, whether due to any computer virus or otherwise. You are solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to your operating systems, and for protecting, securing, and backing up any data and information stored in or on your operating systems. Bank is not responsible for any errors or failures resulting from defects in or malfunctions of any software installed on your operating systems.

2. You acknowledge and agree that it is your responsibility to protect yourself and to be vigilant against e-mail fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as “phishing” or “pharming”). You agree to educate your representative(s), agents, and employees as to the risks of such fraud and to train such persons to avoid such risks. You acknowledge that Bank will never contact you by e-mail in order to ask for or to verify Account numbers, Security Devices, or any sensitive or confidential information, and will never provide links to websites in e-mails that Bank transmits to you. In the event you receive an e-mail or other electronic communication that you believe, or has reason to believe, is fraudulent, you agree that you shall not respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, or otherwise comply with any instructions in the e-mail. To the extent allowed by law, you agree that Bank is not responsible for any losses, injuries, or harm incurred by you as a result of any electronic, e-mail, or internet fraud.

3. In the event of a breach of the Security Procedure, you agree to assist Bank in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Bank or Bank’s agent access to your hard drive, storage media and devices, systems and any other equipment or device that was used in breach of the Security Procedure. You further agree to provide to

Bank any analysis of such equipment, device, or software or any report of such analysis performed by you, your agents, law enforcement agencies, or any other third party. Your failure to assist Bank shall be an admission by you that the breach of the Security Procedure was caused by a person who obtained access to your transmitting facilities or who obtained information facilitating the breach of the Security Procedure from you and not from a source controlled by Bank.

B. Reporting Unauthorized Transactions.

You should notify us immediately if you believe your User Name or Password have been lost or stolen, that someone has gained access to the Security Procedure, or that someone has transferred or may transfer money from your Account without your permission or if you suspect any fraudulent activity on your Account. To notify us, call us at the number provided in Article XVI, Section E. between 8:00 a.m. and 5:00 p.m during a Business Day.

C. Duty to Inspect.

You shall inspect all transaction history and other material evidencing the output of the Service(s) performed by Bank. You must report all errors to the Bank for Services performed and indicated in the transaction history and other material evidencing the output of the Service(s) or otherwise reported to you daily by the close of business on the banking day following the day on which the Service(s) is rendered. You must report all other errors within a reasonable time not to exceed thirty (30) days from the date that the error is made. Failure of you to promptly report errors within such specified time shall preclude you from asserting against the Bank any claims arising from the error or any loss caused by the error.

D. Financial Information.

Bank may from time to time request information from you in order to evaluate a continuation of the Service(s) to be provided by Bank hereunder and/or adjustment of any limits set by this Agreement. You agree to provide the requested financial information immediately upon request by Bank, in the form required by Bank. If you refuse to provide the requested financial information, or if Bank concludes in its sole discretion that the credit risk of you is unacceptable, Bank may terminate the Service according to the provisions hereof. You authorize Bank to investigate or reinvestigate at any time any information provided by you in connection with this Agreement or any Services and to request reports from credit bureaus and reporting agencies for such purpose.

E. Deadlines.

You shall deliver or transmit all data or information to Bank by the deadline(s) specified in this Agreement. Bank shall have no obligation to process data or perform the Service if the data is not received by the Bank by the specified deadline.

F. Payment for Services.

You agree to pay Bank the fees established by Bank for rendering the Services under the terms of this Agreement. Depending on which services you subscribe to through Online Banking Services, you will be charged the applicable fees as set forth in our Fee Schedule hereby incorporated by reference and made a part hereof. Once you have subscribed, you will be charged the applicable Monthly Fee(s) whether or not you use Online Banking Services.

The Bank may change or add any fees for Online Banking Services by the procedures outlined in Article XVI, Section Q for amending this Agreement. Fees charged for Online Banking Services under this Agreement are in addition to any service charges or fees that apply to your accounts with us. Currently, there are not fees for the basic Online Banking Service.

You authorize the Bank to deduct all applicable Monthly Fees from the Primary Account you have specified. If you close the Primary Account, you must notify us and identify a new Primary Account for the selected services.

In addition to the Service fees, you agree to pay for all taxes, tariffs and assessments levied or imposed by any government agency in connection with the Service, this Agreement, and/or the software or equipment made available to you (excluding any income tax payable by Bank). You are also responsible for the costs of any communication lines and any data processing charges payable to third parties.

XV. The Bank's Responsibilities:
